The Cow That Starved In Clover

A certain cow, though pastured in bountiful meadows, was attracted by the more tempting appearance of distant fields. Shunning the abundance at hand, she wandered afar, always finding the new spots less appetizing and less plentiful, and always leaving them untasted for the new fields inviting her on.

Growing hunger only spurred her on, until finally, exhausted by it, she fell into the sands of the desert, whence she never again rose.

People who shun the stores at home because of the allurements of those in larger towns, often find themselves getting less than they expected. Get into the habit of seeing your local dealer first. If he hasn't what you want, he will gladly get it. You'll be helping him to serve you better by helping him to make it pay.
